About Rhythm Heart & Critical Care

Greetings to everyone and we hope you all are doing great!

Being in the field of cardiology for about a decade now, we have seen heart patients closely enough. We understand how delicate and critical the domain of cardiac care is.

With an aim to bring the best in cardiac in Nagpur and surrounding areas, we now introduce to you our all new, upgraded, enhanced & even more comprehensive cardiac care hospital - Rhythm Heart and Critical Care.

Located centrally at Dhantoli, Nagpur, our hospital boasts of International Standards - Phillips FD 10 ceiling mounted Cath Lab (a benchmark of excellence), High end Echocardiography machine, Diagnostics and indoor department. Angiography, Angioplasty and all types of interventional cardiology procedures will be done under one roof.

Our hospital also has a Fully equipped ICU with the latest equipments and a highly experienced intensive care team. The team at Rhythm Hospital brings in more than 25 years of cumulative experience and expertise in the field of Cardiology & Critical Care.

With an aim to build a healthy society by rendering world-class cardiac care, we look forward to serving everyone to the best of our abilities and resources.

VISION

To make available Comprehensive Cardiac and Critical Care for everyone

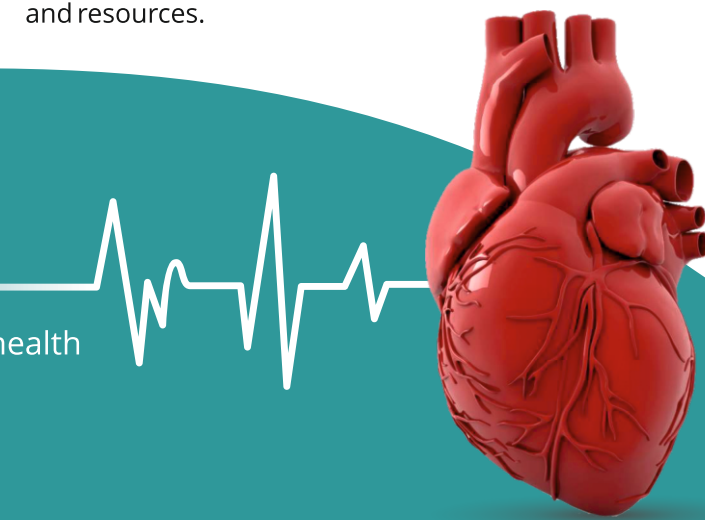

MISSION

To build a society that is healthy and health conscious.
